A nighttime photograph of a city waterfront. In the foreground, a modern building with a glass facade and vertical light strips is illuminated. A paved promenade with a railing runs along the water, where several people are walking. In the background, a dense city skyline is visible under a dark sky, with a bridge spanning the water on the right.

PROJECT OVERVIEW

Integrated Developments Build Great Cities

Raffles City the Bund has
a total area of

**About
440,000 m²**

including

- 120,000 m² commercial space
- two 50-storey office towers

Shopping Mall

A shopping mall with boutique
supermarket, cinema, art space, and
Michelin-star restaurants.

Office Tower

- Boast the tallest twin towers in Shanghai
- A 270-degree panorama
- Both have sky gardens
- Echoing the historical landmarks of the Bund and the modern skyline of Lujiazui

Transport Network

A multi modal transit hub connecting subway and bus services forms a comprehensive transport network that perfectly integrated in design

An aerial night view of a city skyline, likely New York City, featuring a river (Hudson River) and a dense cluster of skyscrapers. The text "LOCAL COMMUNITY" and "THE NORTH BUND" is overlaid in white, centered, with horizontal lines above and below the text.

LOCAL COMMUNITY

THE NORTH BUND

Project Background: The North Bund

Located in Shanghai, China's biggest city and a global financial hub, Raffles City the Bund takes pride of place at the North Bund – a historic site where modern Chinese cultures and foreign cultures blend, a typical demonstration zone representing delicacy management in global megacities, as well as a place that will serve as a “new engine” of growth for Shanghai.

Forms the "Golden Triangle" together with Lujiazui and the Bund.

An international community with shipping and financial core functions.

A top CAZ with international capacity of resource allocation and global competitiveness.

THE NORTH BUND

CREATIVE ARCHITECTURE

A NEW LANDMARK OF SHANGHAI

World-renowned Design Firm

Raffles City the Bund and its distinctive pair of towers are designed by the world-renowned firm of Pelli Clarke Pelli Architects in collaboration with Benoy for its Interior decoration.

The tower plan is inspired by the form of the classic Chinese tripod. Faceted bay windows transform the vessel shape and allow the towers' occupants to take in the wealth of city views. As the symbol of “a period of great prosperity”, the tripod also represents the booming of Shanghai and the North Bund.

CREATIVE SUSTAINABILITY

A PUBLIC SHARED GARDEN

A Green Journey in the City

In the concrete jungle of modern society, Raffles City the Bund provides a 20,000 square meter public shared garden that work as air and water filter for the North Bund region.

Within this garden, shoppers can watch a live concert, an outdoor movie or admire breathtaking views of the city. It breathes life into an urban setting, offers people a sanctuary from the bustle of the city, and will serve as the living room of the North Bund.

An aerial photograph of a dense urban landscape, likely a financial district, featuring numerous skyscrapers and modern buildings. A body of water is visible on the left side of the frame. The image is overlaid with a semi-transparent dark blue filter.

MODERN BUSINESS OFFICE

Attractive Modern Office

The North Bund is home to over 1,500 financial companies which manage over 5 trillion yuan (US\$705 billion) of assets. With **efficient and flexible layouts** for tenants, **innovative technology building system**, and **sweeping views of the Huangpu River, Pudong, and the Bund**, the twin office towers of Raffles City the Bund are rather attractive to international corporations locating to Shanghai, many international well-known technology and financial corporations such as Jingdong Digital Technology Co., Ltd have signed with Raffles City the Bund.

The image shows a rooftop terrace with a metal railing and a city skyline in the background. The text "MODERN SHOPPING MALL" is overlaid in the center. The background features a dense urban landscape with various skyscrapers, including the Empire State Building and the Chrysler Building, under a hazy sky. The foreground shows a wooden deck and a large, dark, cylindrical object, possibly a trash can or a piece of equipment.

MODERN SHOPPING MALL

Modern Commercial Space

In a nearly 120,000 square meters of commercial space, Raffles City the Bund will introduce more than 30% brand new store and several new retail concept stores that will **enhance consumers' shopping experience and provide demonstrations with highly tech trendy in the modern society**, for instance, virtual tours and previews of collection pieces, as well as **offers consumers with new lifestyle concepts through combining Chinese and Western modern culture together.**

In addition, the shopping mall will draw people into the development from the transit center through various entries on multiple levels via the grand subway, transportation concourse, and through one of landscaped sky bridges from adjacent blocks.

An aerial night view of a city skyline. Two prominent skyscrapers are visible in the center, with the one on the right having 'Capitaland' written on its upper section. The city lights are visible in the background and foreground, creating a dense urban landscape. The text 'INGERATED IN THE LOCAL COMMUNITY' is overlaid in the center, flanked by two horizontal white lines.

INGERATED IN THE LOCAL COMMUNITY

Echoing the Blueprint of the North Bund

In the blueprint of the North Bund, the region will emphasize on three core functions: CBD development, public culture, business service.

In order to cooperate with these three key words of the local community, Raffles City the Bund is poised to be a comprehensive platform integrating

Culture, Arts, Technology, Tourism

Integrating the Cutting-edge Development into the Local Community

In order to meet the multi-level development needs of the North Bund, **Raffles City the Bund combines innovative comprehensive design, sustainable considerations, and modern concepts**, to effectively achieve the organic integration of work scenes, life scenes, and shopping scenes.

With imaginative urban design strategies, Raffles City the Bund will **bring creativity and modernism into the North Bund region, boost the industrial upgrade and consumption upgrade, and help with the sustainable economic development** of this region and the entire Shanghai.
